There will be a new GPA cohort starting in the new year, if you have a GPA interested in completing an accredited route then please click the link below and complete the necessary information.

[Midlands GPA Programme - Lincolnshire Training Hub](#)

The Practice Management Induction Programme Evaluation is aimed at Practice Managers, Assistant and Operation Managers working in General Practice in Derby and Derbyshire.

This follows successful delivery of the three cohorts since 2021 with excellent feedback from over 140 delegates.

To download the full report, please [click here](#).

Back for another year! The RCGP Vale of Trent faculty, supported by the Hub Plus brings you **Refresh, Renew, and Reconnect**.

This is a one day event blending clinical CPD, personal development and wellbeing.

Aimed at mid career Vale of Trent and local regions GPs. [Click here](#) to find out more.

The Reach Network - Celebrating Diversity: The Power of Cultural Heritage

The Reach Network - Celebrating Diversity: The Power of Cultural Heritage

Throughout 2025, will be running a number of in-person and online sessions that will raise awareness, foster inclusion, and celebrate the diverse cultural heritage.

Each session with feature incredible speakers, create powerful conversations and generate meaningful insights.

Join us in celebrating diversity! Participate in our events, share your story, and help us amplify the power of cultural heritage. Visit [The Reach Network webpage](#) to learn more and get involved!

United in Diversity: Sharing Stories, Building Futures.

Announcing the Second Cohort of the Derbyshire General Practice Long Service Awards!

We are delighted to announce the second cohort of the Derbyshire General Practice Long Service Awards, celebrating the outstanding dedication and unwavering commitment of individuals who have served in the NHS for over 25 years.

This special event honours those whose careers have been defined by their compassion, expertise, and efforts in supporting the health and well-being of our communities.

These awards are a heartfelt recognition of the contributions that have shaped Derbyshire's General Practice and the lives of countless patients.

This recognition is open to anyone who has worked in the NHS for 25 years or more, in any role within Derbyshire General Practice.

We are now accepting applications, [click here](#) to apply or for more information.

Call for Primary Care Placement Providers

We are reaching out to our valued practices with an urgent request for primary care placement offers. We have a significant number of placement requests from several cohorts and universities, and we need your support to provide valuable learning experiences for these students.

By offering placements, you will be contributing to the education and development of future healthcare professionals.

If you are able to provide a placement or would like more information, please contact us at ddlmc.thehubplus@nhs.net.

Thank you for your continued support and dedication to nurturing the next generation of healthcare providers.

Exciting Fully-Funded Apprenticeship Opportunities

We are pleased to announce a wide range of fully-funded apprenticeship opportunities that are currently under-subscribed. These apprenticeships offer an excellent chance for individuals to gain valuable skills and experience in both clinical and non-clinical fields, all while being fully supported financially.

If you or someone you know is interested in these opportunities, please reach out to us at ddlmc.thehubplus@nhs.net for more details and to apply.

Don't miss out on this fantastic chance to advance your career with a fully-funded apprenticeship.

Request for Work Experience Providers

We are also seeking practices willing to take on work experience students from local colleges during their work experience weeks. This is a wonderful opportunity to inspire and guide young individuals who are eager to learn about the healthcare field.

If your practice can offer work experience placements or if you would like more information, please contact us at ddlmc.thehubplus@nhs.net

Thank you for helping to shape the future of healthcare by providing these valuable experiences.

New member of The Hub Plus team

We are pleased to introduce our new **Project Coordinator, Ola Sobolewska**.

I am the main contact for QUEST, focusing on engaging with practices, fostering strong networks, and supporting the Resilience Programme. An adventurer at heart, I'm on a mission to travel the world and discover my next favourite place.
