THE DERBYSHIRE GENERAL PRACTICE LONG SERVICE AWARD SCHEME

To continue supporting our dedicated and hardworking colleagues within the NHS, The Hub Plus Derbyshire are extremely proud to announce the BRAND-NEW Derbyshire General Practice Long Service Award scheme.

Our goal is to recognise and celebrate the incredible commitment to those who have worked within the NHS for 25 years and onwards!

We want to show our gratitude for individuals working within General Practice in Derby and Derbyshire who have demonstrated devotion to primary care.

To be considered for this award, colleagues can choose to apply themselves or they can be nominated by their Practice Management team or PCN Lead.

Happy learning!

Calling all practices!

Students on Tour 2024 is an opportunity to promote primary care in Derbyshire as a career option for students, whilst at the same time increasing access to patients to healthcare appointments and helping to meet QOF / QIPP targets.

This will enable students to gain lived experience of providing healthcare to patients as part of a multi-disciplinary team in a primary care setting. An opportunity for you to ensure that your future workforce is fit for purpose for delivering person centred care ensuring patients receive timely and appropriate access to care at their point of need.

STUDENTS ON TOUR 2024

DERBY &
NOTTINGHAM

The Race, Ethnicity and Cultural Heritage Network (REACH) is a new Staff Network being set up for the support of ethnic minority staff and their allies, working within primary care in Derby and Derbyshire.

The aims of the network tie in with the Regional EDI strategy, and they are primarily:

- To Empower our members in challenging racism and discrimination within their immediate workplace, but also within the wider systems that affect them
- To Embed change within those systems through collective solutions and involvement with key changemakers
- To Educate our members with the provision of personal and professional development initiatives that resonate with their goals
- To Engage our members through networking events that nurture belonging and strengthen community
- To Inspire our members with events that showcase our individual and collective successes, resilience and vision

We plan to host our in-person Network Launch Event on the evening of 11th September 2024, with details to be confirmed closer to the time.

If you think you would be interested in attending this event, future events or being involved with the network going forward, please complete the Expression of Interest form below so we can keep you updated:

Calling all administrators, receptionists, and secretaries!

We want to hear from you...

Over the next few weeks, we will be hosting listening groups to acknowledge and support staff working in the above roles, across Derby and Derbyshire.

We know that you are the heart of general practice, and we want to make sure you have a collective voice and can shape what your development needs should look like in the future.

Refresh, Refocus, and Re-Energise: A Reflective Workshop for Practice Managers

Are you weary from the endless operational tasks and responsibilities of managing and leading your practice? Do you find yourself with little to no time for self-reflection, personal development, or simply space to think? Are you feeling fatigued, undervalued, and isolated? Have you lost sight of your 'why' in what you do?

This introductory workshop is designed specifically for experienced Practice Managers who are eager to take a moment for quiet self-reflection in a supportive, safe space. Limited to a small group of up to ten participants, this workshop offers a unique opportunity to invest in your well-being and reignite your passion for Primary Care.

Please note you will only need to apply for one cohort.

Cohort 1: 18/09/24 - 09:00-12:00 - thehubplus.co.uk/course/338
 Cohort 2: 19/09/24 - 09:00-12:00 - thehubplus.co.uk/course/339

DERBYSHIRE GENERAL PRACTICE NURSING *Conference 2024*

"I just wanted to reach out and say how amazing it was ran and the level of support in place for us as nurses. It was my first time attending anything like this and It was incredibly useful for networking."

What a lovely message we received from one of the amazing nurses that attended the Nurses Conference last month.

Don't worry if you couldn't make this event, we will be hosting another General Practice Nurses Conference in September. More information will be released soon, so stay tuned.

After 4 years working within the Training Hub in Derbyshire Emma has decided to leave the Hub+ to explore new opportunities. Her last day will be 16th August 2024.

Emma has been a fantastic team member, helping colleagues across primary care to access our training, development and education offers. We are very appreciative for the work she has done in supporting the two teams coming together and the growing success of The Hub+, Derbyshire. We wish her all the luck for the future.
