CPD Funding Confirmed for 2024/25 - Important Information

We are pleased to announce that **CPD funding** has now been confirmed for 2024/25.

Funding is set at a maximum of £333 per applicant. As your local primary care training hub, we are delighted to support you and your team with an extensive training provision running throughout the year which is informed by local Derbyshire opinions in our annual Training Needs Analysis. To find out more, please email - ddlmc.thehubplus@nhs.net

We know that student placements are amazing, and many **Practices and Primary Care Networks (PCNs)** are eager to support them. However, we also recognise the challenges, especially when capacity within a Practice is a concern. That's where we can help! If you'd like to discuss your student placement needs and explore how we can support you, please get in touch with us at ddlmc.thehubplus@nhs.net. We're here to make the process smoother and more manageable for everyone involved.

REACH Network Wellbeing Event

Join our Wellbeing Event for an engaging and uplifting evening designed to help you take control of your health and wellness. This is an opportunity to connect with colleagues and practice wellbeing techniques.

Highlights from Last Month's New to practice Celebration Evening

Last month, we hosted the annual new to practice Celebration Evening, bringing together GPs and Nurses of the New to Practice (N2P) scheme to reflect on their impact and celebrate their achievements during their first 2 years in Primary Care. The N2P scheme has been a cornerstone for newly qualified GPs, offering vital support as they transition into primary care; It has provided opportunities for networking, professional development, and guidance through mentorship, helping GPs and Nurses navigate the challenges of their first two years in General Practice.

Whilst the New to practice scheme is no longer funded by NHSE (ceased in March 2024), The Hub Plus are committed to ensuring newly qualified and new into general practice GPs and Nurses receive all the support they need. We welcome any Newly qualified/ New to general practice GPs and Nurses to attend our monthly education timetable, networking opportunities and support available and to do this, please sign up here: [Joining our N2P Network](#)

A special congratulations to all our GPs and Nurses who have recently completed the scheme, and the winners of 1st, 2nd and 3rd place in our quality improvement projects presented during the evening. If you'd like to see what our winners' projects were, please visit our website: thehubplus.co.uk/resources-library

We'd like to express a heartfelt thank you to everyone who attended the **Derbyshire General Practice Long Service Award on Wednesday, 4th December!**

It was an honour to recognize and celebrate the incredible dedication, hard work, and commitment of so many outstanding individuals who have made a lasting impact in general practice across Derbyshire.

A special congratulations to all the award recipients—you truly inspire us with your service and contributions to the community.

Thank you for joining us in this celebration.

Information for cohort two will be announced soon, for all updates, please [**click here.**](#)

Please note:

The Derbyshire General Practice Long Service Award scheme is available to all clinical and non-clinical General Practice colleagues working in Derby and Derbyshire, who have not received any previous recognition for this service in any other NHS organisation.

staff who have had a break in service (e.g. adoption leave, maternity leave or sabbatical) are eligible to apply. However, they must have reached aggregated 25, 30, 40, or 50 years' service in 2024. Applicants will only receive one award for their years of service.

Important Statement Regarding Physician Associates

We recognise that there's been a lot of discussion and media coverage around the Physician Associates (PAs) role, which may have raised some questions or concerns in your practice from your PA's or wider team. Please know that we remain committed to supporting all general practice staff including PA's in role and with their wellbeing, training, development and pastoral support.

If any PAs would like to discuss their role, share any concerns, or simply have a chat, The Hub Plus is here to support. We also offer coaching and mentorship resources and can connect PAs with the Midlands PA Ambassador for additional guidance and ongoing support. Please don't hesitate to get in touch - we're here to help!

New member of The Hub Plus team

We are pleased to introduce our new Project Coordinator, Irenka Arroyo-Goodman

"I am the main contact for Placements, Apprenticeships, CPD opportunities and facilitating ACP training opportunities and funding. With a background of over 20 years in education I am passionate about ensuring everyone has the opportunity to learn and achieve their dreams."

"Until very recently I owned and managed a luxury wedding cake business in Nottinghamshire. I love going for long dog walks with my husband and two children, having family movie nights and listening to audio books and music."
