The Hub Plus are working with the University of Derby and the University of Nottingham to provide a new and exciting placement opportunity for nursing and pharmacy students.

This is a great opportunity for practices to engage patients and staff in a placement that will benefit all those involved. Plus, it's only a one day commitment for practices/PCNs!

If you're interested in hosting the next generation of primary care professionals, please [click here to register your interest](#), or [click here](#) to find out more about Students on Tour 2024.

Celebrate, learn, and connect with fellow GPNs!

Are you currently pondering your career path within primary care? Perhaps you find yourself asking questions like:

- Where do I see myself in the next few years professionally?
- What steps can I take to progress in my career?
- What are my options for further development and advancement?

If any of these questions resonate with you, we have an exciting opportunity tailored just for you: Career Conversations.

Career Conversations provide an opportunity, designed to provide you with personalised guidance, support, and clarity as you navigate your career journey within primary care. Our experienced colleagues at The Hub Plus are here to help you explore your career pathways, develop progression plans, and discover the array of options available to you.

Simply complete the Expression of Interest form by [clicking here](#).

If you encounter any issues accessing the form or have questions about Career Conversations, please do not hesitate to reach out to us via email at [d1mc.thehubplus@nhs.net](mailto:d1mc.thehubplus@nhs.net) or by calling 07883 328933.

**Calling all Designated Prescribing Practitioners and strong Pharmacy Practice Teams!** – Are you looking to offer support to the next generation of pharmacists and showcase how community and general practice pharmacy works?

If your practice is unable to commit to supporting a foundation year trainee, Peak Pharmacy are looking for Designated Prescribing Practitioner (DPP) support for 2025/26, from November 2025. This is important to:

- For your own professional development and portfolio including updating supervisory skills.
- Contribute towards workload targets and NHS indicators, trainees can support with day-to-day workload within your team.
- Help to build new or develop existing relationships with other healthcare providers in your local area.
- Allow you to support the development of the future workforce and showcase primary care place in healthcare.
- Provide Derbyshire with a sustainable workforce pipeline.

For more information or to offer support please email [emma.brailsford1@nhs.net](mailto:emma.brailsford1@nhs.net) or [linda.ferguson@peakpharmacy.co.uk](mailto:linda.ferguson@peakpharmacy.co.uk)

CPD funding for the 23/24 financial year has now ended. As a result, any claims submitted will not be processed until the new CPD funding 24/25 is released. We are asking Eligible roles to still fill out the **funding request form** and they will be placed on a waiting list until new funding has been released by NHSE.

There's still time to take part in our pre-employment programme focussed on nursing careers, in partnership with the University of Derby and University Hospitals of Derby and Burton.

The Chesterfield cohort in July.

For further information please email [emma.brailsford1@nhs.net](mailto:emma.brailsford1@nhs.net).

The Hub Plus Derbyshire and Hereford and Worcestershire Training Hub have been awarded NHSE funding for Cancer Education in support of the NHS Long Term Plan for Cancer. The team have partnered with specialised provider, Gateway C who are focused on supporting Primary Care professionals with education and training to detect cancer earlier.

As part of the programme, a suite of bespoke role specific training and development opportunities are available for clinical and non-clinical staff.
